quafiya9119@gmail.com | 8542935540 | Varanasi, India | www.linkedin.com/in/quafiya-rahim | quafiya-rahim.github.io/Portfolio

SUMMARY

B.Com graduate (8.21 CGPA, BHU) with a Data Analytics background, passionate about turning raw data into meaningful insights. Currently working as a Research Associate (Intern) — Financial Analyst Department at PredictRAM — SEBI Registered Research Analyst Firm, with hands-on experience in equity research, macro-sector analysis, financial statement analysis, and stock selection. Ranked 18th out of 500+ analysts with a 73%+ quality score across 33+ research reports. Skilled in Python, Power BI, SQL, and Excel. Seeking remote/WFH Data Analyst, Research Analyst or related roles.

EXPERIENCE

Research Associate (Intern), Financial Analyst Department

– PredictRAM (SEBI Registered Analyst Firm) | Remote

May 2026 – Present

Portfolio: https://github.com/quafiya-rahim/Quafiya_Rahim-Research/blob/main/README.md

- Authored 33+ macro-level equity research reports across sectors including Banking & Credit, Data Centers, Water Infrastructure, Railways, Renewable Energy, Defense Manufacturing, Specialty Chemicals, Shipping & Freight, Urban Consumption, Rural/Monsoon Outlook,Currency Volatility and more.
- Built event-driven stock baskets based on RBI rate decisions, GDP forecasts, and sector policy triggers; June 2026 RBI policy basket generated positive alpha returns.
- Developed investment theses for event-driven stock baskets — documenting sector rationale, stock selection reasoning, and downside risk scenarios based on macroeconomic triggers such as RBI policy decisions and GDP forecasts.
- Performed financial statement error correction — reconciling income statements, balance sheets, and ratios to derive accurate valuation inputs across listed companies.
- Ranked 18th / 500+ analysts on internal leaderboard; 73%+ average quality score; strong in macro context, fundamental analysis depth, and risk framing.
